#### History[edit]

The airport was built in 1977 by the Nello L. Teer Company,[3] taking over most airliner operations from Old Lilongwe Airport (FWLE) some 6 km west of the city centre. Owned by Airport Developments Limited.

#### Facilities[edit]

The airport is at an elevation of 4,035 feet (1,230 m) above mean sea level. It has one runway designated 14/32 with an asphalt surface measuring 3,540 by 45 metres (11,614 ft × 148 ft).[1]
