

Dr. Mohan's Diabetes Specialities Centre is a diabetes speciality hospital chain headquartered in Chennai, Tamil Nadu.[1] It was founded in 1991 by Padma Shri Dr V. Mohan along with his wife Dr Rema. Dr. Mohan's Group has 50 centres and more than 4000 staff.[2][3][4][5] Dr. Mohan's Diabetes Specialities Centre is also the collaboration centre for World Health Organization on Non Communicable Diseases Prevention and Control.[6][7] In 2017, the centre raised \$10.3 million in Series A funding. This is the first round of funding for the centre since its founding in 1991. The money will be allocated to expanding Dr. Mohan's Diabetes Specialties Centre across India.[8]
